

FAMILY SERVICES POSITION DESCRIPTION

Position Title: Therapist – Multisystemic Therapy

Employee:

Reports To: Multisystemic Therapy/Multisystemic Therapy – Problem Sexual Behavior Clinical Supervisor

Summary:

Family Services' positions require employees to maintain certain skills and characteristics to perform job tasks successfully. These characteristics include the flexibility to work independently and in a team environment, as well as willingness to do whatever it takes to get the job done while maintaining the highest level of professional integrity. This means maintaining confidentiality and following workplace policies and procedures, supervisory directives, and even changing work assignments if deemed necessary by management. Effective time management skills are essential to performing multi-task functions in an efficient manner. The ability to communicate effectively both in oral and written form is vital. This facilitates collaboration with clients and a range of other stakeholders. Effective written communication skills also result in meeting the documentation requirements of various funding sources. Additionally, Family Services stresses ongoing learning and professional development as well as openness to supervisory feedback.

This position requires the ability to respond to various differences among the agency's clientele and staff, including but not limited to economic, ethnic, religious, sex, age, and disability status. Workers should be sensitive to any and all differences. Employee must possess a capacity for appropriate assertiveness skills, the ability to assess and respond to verbal and nonverbal cues, as well as good relationship skills which allow for dealing with staff/clients under stress.

Position requires a commitment to Family Services' mission to strengthen families as the ideal nurturing environment for people, empowering individual members to grow. Employee acts in accordance with the Social Work Code of Ethics. Position requires the ability to complete independent decisions and judgments regarding client needs and agency services such that proper direction is taken according to agency policy and both the client and agency benefit from decision making.

Provides direct social services to assigned caseload, coordinates case effects with funding source and related agencies. Provides crisis service to caseload. Ability to provide after workday hours. Delivers intensive services involving a wide range of problems to assigned caseloads. Considerable day and evening driving to County

areas is required. Access to reliable transportation is essential. Worker is required to visit client's homes on a regular basis. Worker should be able to effectively manage self in crisis situations (violence, physical aggression, etc.) Position requires 24-hour on call service, worker must be willing to carry a beeper. Worker is required to have a valid driver's license, and access to reliable transportation is essential
