

Here's How to Have a Virtual Doctor's Visit

**Haven't had a visit yet?
It's easy — here's how.**

From check-in to diagnosis, virtual doctor visits are designed to be comfortable and familiar, while being as simple as possible. Here's how it works:

Create an account.

Follow the simple directions.

1. Visit amwell.com or doctorondemand.com and follow the instructions to register or download their mobile apps. You can use either or both of these services.
2. Enter your name, address, etc.
3. Complete the brief online health history form.
4. Enter your health insurance information.

Select your doctor.

You can choose the doctor that's right for you.

1. Look through doctor's profiles.
 2. Choose a doctor and click **Start Visit**.
- Note: In some cases, a doctor may be assigned to you.

Enter your health info and start the visit.

Tell us what you'd like to discuss.

1. Tell us if the visit is for you or your child.
2. Tell the doctor the reason for your visit.
3. Begin your live video visit.

Wrap up.

Get information fast after your visit.

1. View the doctor's notes and diagnosis.
2. If you are prescribed medication, it will automatically be sent to your pharmacy.

It's that easy. So what are you waiting for? See a virtual doctor today!

Most virtual visits are covered in the same way as they would be if you received in-person care. Medical (pediatric) services are subject to the telemedicine service benefit. Psychology services are subject to the outpatient mental health benefit. Contact the number on the back of your ID card to determine if you have these benefits available. Cost sharing may vary. Virtual Diet & Nutrition and Pregnancy & Newborn (Lactation Consulting) Service are not eligible. You will be responsible for the full cost of these services. All benefits under your health plan are subject to the terms of the benefit agreement and applicable state laws.
