

# The 1882 Society Fund

Family Services Community

## Strengthening Families • Transforming Lives

Since 1882, Family Services of NWPA has been providing essential support resources to the families of Erie, Crawford County, and Mercer County. Through our mission, we provide mental and behavioral healthcare support services that care for the needs of families. Additionally, we provide a variety of child placement services for both children and families, including adoption searches, child profiles, child preparation, home studies, and post-permanency services.

## The 1882 Giving Levels

These gifts form the foundation of support for our efforts at Family Services. We are extremely grateful to all who participate in the purpose of Family Services through a commitment to one of our levels.
